Letter No G. 333 dy the 18th March 1890 from the Senior Surgeon and Sanitary Commissioner with the Govt of Mysore.

Subject Conversion of In Patients wards attached to Local Fund Dispensaries into Quarters for Hospital Assistants.

G. P. No 5640-19 dy 18.10.1889
Cir 137

In the Local Fund Rules of the Kolar and Shimoga Districts for the year 1887-1888 the Presidents concerned made a new provision for dieting In-patients in Local Fund Dispensaries. The Government called upon the other Presidents to report generally upon the desirability of feeding In-patients in Dispensaries, and on their reporting favourably they were authorized to make a provision of Rs 257 for each Dispensary on this account with effect from 1890-1891 with the observation that Local Fund Dispensaries are intended only for out-door patients but in cases of extreme

extreme poverty and urgency have no objection to a few patients being fed at the cost of District funds but that cost charges must be incurred with great caution only in cases of extreme urgency.

G. P. No 5876-85 / DR 112-95 23/11/1896.

2. The provision of Rs 25-00 found to be insufficient it was ordered to be raised to Rs 60 with effect from 1897-1898.

G. P. No 7683-93 / 159 of 24-9-90.

3. In 1890 Government approved of the Senior Surgeons proposal to provide accommodation for In-patients in all D. Dispensaries so that persons suffering from serious illness, injuries or accidents might be under the eye of the Hospital Assistant in charge and promptly attended to by him and requested the P.W.D Secretary in the to arrange for the construction of two rooms, one for a male patients and the other for a female patients. Wards of an improved style were ordered to be attached to D.D. Dispensaries in G.P. No 13666-76 / DR 257-92 dt 1st Feb 1894 at

was requested by the Senior Surg

4. In Prog No 1332/-8 of 2nd March
Dft 357-95
1895 the Construction of female
dispensaries, with accommodation
in certain places
for inpatients distinct and separate
from the ordinary ones used
by the male patients was ordered.

5. The Cost of the Construction of
Inpatient wards is estimated
Rs 4000 and 5 — Rs. The work is
being in charge of the P.W.D

6. To the close of 1893-94 the
Cost of Construction and repairs
to LB Dispensaries was met as
follows.

(i.) Construction

In Municipalities — 1/3rd from Mil funds and 2/3rd from Prov funds

In non-municipal areas — 1/3rd from D.F. and 2/3rds Prov.

(ii) Repairs.

In Municipalities — either entirely from Prov funds or from Mil and Prov funds without any fixed principle

In non-municipal areas — 1/3rd from D.F. and 2/3rds from Prov funds as directed.

7. From 1894-95
that the Cost of Construction of all

future dispensaries and the dispensary
cost of repairs
buildings. be met in equal pro-
portions from Provincial, munici
pal and District funds in munici
pal areas and from District
and Provincial funds in non-
municipal areas

6. There are at present 100 A.V.
dispensaries with in-patient
wards attached to most of them.

9 During his ~~Tour~~ inspection
of L. F. dispensaries, Col Benson
says that he rarely saw a ~~single~~
patient in any ward, ~~at Mean~~
that he is now convinced that
the want of in-patient wards
for ~~all~~ these dispensaries sup-
posed to be urgently needed
in 1890 does not really exist
now. He states that the number of
patients treated in the several
LF dispensaries during 1901-02
was 1390 at a cost of Rs 2915 or
at Rs 2-1-6½ per patient. The
Senior Surgeon explains that for
the following reasons so few in-
dents were in the wards

(i) The Conservatism of the people

(ii) Indifference on the part of the majority of Hospital Assistants in charge of Local Fund Dispensaries, who do not want the trouble of looking after patients.

(iii) To the want of proper staff to attend to them.

(IV) To the small allotment of Rs 57 a month allowed for [illegible] Patients.

The Senior Surgeon represents that at present many of the Hospital Assistants [illegible] it to great trouble and inconvenience in getting [illegible] tion and that when they do get it, it is often far removed from the Hospital and hardly fit to live in, and requests sanction for the abolition of such of the Patient wards as he may consider unnecessary & for the abolished wards being handed over to the Hospital Assistants in charge [illegible] examination as

From the President Mysore No. 671 d. 29.12.05 States that all the Municipal Boards excepting Chamrajnagar are in favor of the decision arrived at by the St Board & that the Chamrajnagar Municipal Board considers that the intention of Govt in constructing the wards will be defeated if they are not used for the purposes intended and that he see no objection to the proposal as he found during his inspection these wards seldom used.

2 The St Board of Mysore in their meeting held on the 4th February 1904 resolved that the said wards be reserved for inpatients. The Municipal Boards excepting Chamrajnagar seem to be in favor of the proposed conversion of wards into Quarters for Hospital assistants. So the President is not consistent when saying that the Mal boards are in favor of the decision of the St Board, though it is evidently meant that the contrary is the case. To avoid delay, the case is submitted for orders without calling for further inform.

The Board of Hassan with Mr Devaraj Urs as President was for it, but in a subsequent meeting, when the question was reconsidered at the instance of Mr Wetherall, who as Sub Collector proposed reconsideration as he was absent from the first meeting, they resolved that the in-patient wards should be kept for the purpose for which they were intended. But Mr D-or as any Dyer is of opinion that to furnish a house to the Hosp asst close to the hospital is not advisable though at first sight such an arrangement appears to be conducive to more efficient work, because regular attendance at the hospital would be the first item to suffer as the Hosp asst can readily explain to Inspecting officers paying surprise visits that he had just stepped home for a minute.

Dated/8th March 1903

No G. 333

Sir,

I have the honor to state that during the time of my predecessor Colonel T. J. McGann I.M.S, as also during my own term of office as Senior Surgeon suitable buildings have been attached to the majority of Local Fund Dispensaries at considerable expense to Government for the accommodation of In-patients, as it was felt to be a want urgently needed.

2. In the course of frequent inspections of Local Fund Dispensaries in different parts of the Province, I am inclined to think that the want we supposed to be urgently needed does not in reality exist, and this opinion is forced upon me by the fact that I have rarely seen a single patient in any ward at the time of my inspection, and the question which naturally arises is :-

1. Are these wards really needed ? if not, to what better purpose could they be put to?
The cost of these wards is [illegible], and to this must be added the cost each year of bedding, clothing and furniture. This latter is provided from Local and Municipal Funds over which I have no

no control and it is not all uncommon to find a so called In-patient ward devoid of bedding clothing and furniture. To enable me to come to a right judgment as to whether these wards are really needed or not, I sent a circular to the various District Medical Officers calling upon them to submit a statement showing the total number of patients treated in the in-patient wards of the several Local Fund Dispensaries in their Districts and I have now the honor to forward these statements for the consideration of Government, also a compolidated statement which shows at a glance the information necessary to enable the Government of His Highness the Maharaja to decide whether it is advisable to continue to treat in-patients in Local Fund Dispensaries, or to put them to a better use.

There are in all 100 Local Fund Dispensaries with In-patient wards attached, and the total number treated in these (& most of them during 1901 & 1902 was 1890 at a cost of Rs.2915 which works out at an average of a little over 2 Rs per patient. If I were asked to give a reason why sofew patients are treated in these wards, I should say it was due to several factors e.g.

1. The conservatism of the Mofussil people.
2. Indifference on the part of the majority of Hospital Assistants in charge of Local Fund Dispen-

Dispensaries, who do not want the trouble of looking after patients.

3. To the want of proper staff to attend to them.

4. To the small allotment allowed for each dispensary viz. Rs. 5/- per mensem.

In reply to question (2) To what better purpose can they be put to ? I have no hesitation in saying that if these so called in-patient wards were handed over to the Hospital Assistants as quarters , at a reasonable rent, that we should get better work done , as the Hospital Assistants would be on the spotday and night, and if a portion of the Verandha as shewn in the plan herewith sent were built up, he could, if any serious case required treatment take it and do the needful and being at hand he would be more willing to look after it. At present many of the Hospital Assistants are put to great trouble and inconvenience in getting house accommodation and when they do get it it is often far removed from the Hospital and hardly fit to live in.

By permitting them to occupy these quarters and charging them a moderate rent, I am convinced that they would be more contented and the work of the Hospital would be more efficiently performed. I am not prepared to recommend the wholesale abolition of all in-patients wards but would ask Government to

allow

allow me to use my discretion in the matter of, which should and which should not be abolished.

I have the honor to be,

Sir,

2—. In expressing my concurrence with the opinion of the Board, I beg to state that the only objection to the conversion of the wards into the official quarters of the Hospital Assistants arises from circumstances of caste when a patient of low caste has to be taken in as an in-patient in the quarters of the Hospital Assistant who being of a superior caste may entertain religious scruples in this respect.

3—. I beg to state that by opening out separate entrances facing different directions to the In-patient ward and the quarters (Proper) of the Hospital Assistants and by the construction of a building for the kitchen quite distinct and aloof from the rest of the Hospital Assistants' quarters, the inconveniences arising from the objection suggested above would be remedied.

remedied; and I believe the plan referred to in the Senior Surgeon's letter provides the necessary convenience in this respect. I may also add here that a drinking water well at the dispensary or at an easy distance from it is very necessary; for otherwise the want of it will be much felt by the Hospital Assistants.

2- The Hospital Assistants living in a part of the dispensary buildings would undoubtedly be beneficial to the public and convenient to the Hospital Assistants to attend to their wants at all times of the day. Of course a few of the Hospital Assistants would take a different view, as living with family too close to a place where people suffering from all sorts of diseases come for treatment is not agreeable. Such distressing sights are to be seen throughout the day and this cannot be welcome to the families of the Hospital Assistants. In other respects, the proposed utilization of the wards as Hospital Assistants quarters is advantageous both to the public and the Government.

Proceedings of Government No. 769-77/L-7357-82 dated 3-8-1903 inviting opinion on the Senior Surgeon's proposal to convert the in-patient wards attached to Local Fund Dispensaries into residential Quarters for Hospital Assistants and to charge a moderate rent for such occupation.

Resolution

The Board recognize the importance of preventing the in-patient wards provided in the Female dispensary at the District Head Quarters from being permanently converted into residential Quarters. But as the Lady Apothecary who at present occupies these wards cannot be accommodated elsewhere, the present arrangement may continue as a temporary measure. The District Medical officer brings to notice that there are 10 beds in the wards attached to the Local Civil Hospital, and that Som

of them can always be made available for female patients when necessary.

Proceedings of the Local Fund meeting held at Kolar on Saturday the 31st October 1903

Government proceedings no: 769-777 L 7357-92. dated 13th August 1903, calling for an expression of opinion regarding the occupancy of in-patient wards attached to the Local Fund dispensaries by the Hospital Assistants at a reasonable rent.

The Board are unanimous in considering that it would be a retrograde step to allow the in-patient wards to be put to any use. Further these wards are wholly in-adequate and a menace to the villiage houses. It is suggested that pressure might be brought to bear on Hospital Assistants to force them to make in-patient wards more popular.

To

The Maharaja of Mysore
Revenue and General Departments.

Sir,

Referring to G.O. No. 769-77 / D.F. 357-92 dated the 13th August 1903, I have the honor to state that the subject of the proposed conversion of the Inpatient wards at the Several Local Fund Dispensaries in the Province into Quarters for Hospital Assistants, was discussed by the District Fund Board on the 14th October 1903, and the Board resolved that it was not expedient to abolish all the Inpatient wards and convert them into Quarters for Hospital Assistants, and that the opinion of the Civil Surgeon be

obtained in the matter. A copy of the Board's resolution is submitted for information

2. The Civil Surgeon has in his docket no 999 dated 6th November 1903 expressed his opinion in the matter in the following terms

"This District is not [illegible] to do away with all the Hospital wards attached to the Local Fund Dispensaries, as a lot of cooles or labourers seek admission into the various dispensaries. Chadur, Kurri and Nariharpur may be done away with. As for Sakrepatna there is no ward attached."

There are in all 13 Local Fund Dispensaries in this District. Separate Quarters for Hospital Assistants exist at seven stations, viz (1) [illegible] (2) Mudgere (3) Kalasa (4) Nariharpur (5) Yedehalli (6) Tarikere and (7) Kollebyle. The wards at these places are therefore

available for in-patients. The places where the wards are at present occupied by Hospital Assistants for residential purposes are: —

(1) Koppa
(2) Birur
(3) Kadur
(4) Ajjampur.

4. My own opinion is, that at Koppa and Birur the wards should be retained for the use of patients, separate Quarters being provided for the Hospital Assistants in charge, and that the wards at Kadur and Ajjampur may be used by the Hospital Assistants as residences.

5. At Sringeri, the Dispensary is held in a rented building a portion of which is used for in-patients. This arrangement may continue till a new Dispensary is constructed.

6. At Sakrepatna, the building at

[illegible] Dep[illegible] [illegible] Medical Dispensary may
the Converted into a Veterinary Hospital & Assistants
Quarters, and the Dispensary removed
to the Municipal Office, where rooms
may conveniently be set apart for the
purpose.

the proposal. The resolution of the Municipal Board of Trunkw was forwarded last September and it was also against the Senior Surgeon's proposal. I am strongly of opinion that the In-patients wards should be maintained as such. The members of all Boards except Tipton evidently appreciate the value of these wards.

2 To furnish a Hospital Assistant with a house so close to the Hospital may appear at first sight to be Conducive to more efficient work but in the actual working of it we are more likely to find the result to be just the other way. With a house so near, the Hospital Assistant would begin to take things easy. He might be found to be always intending to step into the Hospital but never actually doing so. Regular attendance at the Hospital at fixed hours would be the first item to suffer. Surprise visits of Inspecting officers

Sir, With reference to your No 3335-
dated 4th March last on the question
of the Inpatients Hospital at Richard
Assistants' Quarters, I have the honor
to submit herewith the resolutions
of each of the Municipal Boards
in the District, in original, and to
state that generally there will hardly
be any inpatients in the Taluk
Hospitals. However, one room may
be reserved for the use of the inpatients,

if

if there be any, the remaining
portion being converted into Quarters
for Hospital Assistants. But the
entrance into the Hospital and the
Quarters should be distinctly separ-
ate being in different directions,
so that the inpatients may not
have any scruples to use the
Room set apart for them. Alterations
in accordance with the above sug-
-gestion to the existing buildings
is necessary and in cases where
there are no wards attached to the
Hospitals, separate Quarters may be
constructed for the Hospital Assistants.
The Kitchen should invariably be
separately built at a distance from
the portion of the ward converted into
the Quarters in question.

I have the honor to be,

2. Most of the Municipal Boards are of opinion that the in-patient wards attached to the Local Fund

Tuned Dispensaries should be left for the purpose for which they were built while some of the Boards suggest that a new building may be erected for Quarters of the Hospital Assistants close to the Hospitals.

3 It is only the Pherozepore, Hoshiarpur and Rawalpindi Municipal Boards that have resolved that the In-patient wards may be converted into the Hospital Assistants quarters and rented out to them for occupation.

4. In this connection, it may be stated that I addressed a letter to the President, District Board in my capacity of Revenue Sub-Division Officer Jullundur, suggesting a modification of the Resolution passed by

the

the Hassan District Board at their meeting held on 19th September 1903 regarding the In-patients wards attached to the Dispensaries in the Malnad Taluks of Manjarabad and Belur and requesting that the subject be placed for the reconsideration of the District Board at the subsequent meeting which was held on 5th March 04. A copy of my letter no. 772 dated 26/27th February/04 as also a copy of the Resolution of the Hassan District Board passed at their meeting held on 5th March last are herewith submitted for favor of perusal. Mr. K. S. Doraswamy Iyer, then President of this District Board was of opinion that the close proximity of a dwelling house to the Hospital and the in-patient

wards

wards is not desirable.

5. In concurring with Mr Doraswamy Iyer in this opinion I beg to state that it will be a source of annoyance to the ~~inmates~~ members of the Hospital Assistants family, if the in-patient wards are converted into Hospital Assistants Quarters or if a new building be constructed for the use of the Hospital Assistants too close to the dispensary

6. On a consideration of the foregoing circumstances, and of the resolutions of the District and Municipal Boards in the District, I beg to state that the want of suitable accommodation for the out-patients is real and that the same may be supplied by extending at

Government

Government cost a respectable building
not far from the Dickinson, with due
regard to the Sanitary requirements and
letting it to the Medical Association
at a reasonable rent, the avoiding in-
-fected wards which are small and
unsuitable for dwelling purposes
being left for the accommodation
of the sick when ever required.

Sir,

With reference to subject of the Proceedings of the meeting of the Hassan District Fund Board held at Hassan on the 19th September 1903 received with your Official memo No. 1024 dated 3rd December 1903, I have the honor to submit that the existing In-patients Wards

Wardo Cast Glass made in the neighbourhood of the Islands of Margarita and Roberts are very necessary being found very useful for the accommodation of small pieces of coloured Glass and other when under medical treatment during severe illness or slow healing with various accidents as have often occurred from implements while working on the Fisheries, or inflicted by wild animals such as wild boars which are numerous in those inland tracts.

2. I would therefore respectfully request favourable consideration may be placed before the Board at its next meeting on the 5th proximo that a modification of the former resolution on the subject be made providing exemption in favour of these duty free articles which coffee, cocoa, Cardamoms or other Teas in substance and drugs, Medicines and Surgical Instruments from every description of Customs duty and Import Charges

territory, (who have no near homes to be taken to in case of severe illness or serious accidents) and where there are many extensive forests which harbour wild animals.

3. In the case of the Yeswanpur Dispensary and In-patient Wards in Nanjanabad Taluk I might point out that both are provided in different portions of the same building which being very large one portion might be easily converted into Quarters for the Hospital Assistant and still leave sufficient accommodation for In patients. But it is not so in the case of the other Dispensaries and In-patients Wards provided in these two Talluks which are located in separate buildings of

like only sufficient for the purpose
in which they were built. Separate
wards for medical officers of
board necessary would therefore be
required to be built at those places.

4. I would have personally placed
these facts before the Board had
been present at this meeting ad-
verse on the 7th September last,
but under your instructions I had
to be elsewhere on important
work which prevented me from
going to Harrow for the meeting.

ಶ್ರೀಯುತ ಕೆ. ಪುಟ್ಟಸ್ವಾಮಿಗೌಡರವರಿಗೆ ನಮಸ್ಕಾರ. ನಾನು ಕೆಂಗೇರಿಯಲ್ಲಿ ಒಂದು ಹೊಸ ಕಾಲೇಜನ್ನು ಪ್ರಾರಂಭಿಸಲು ಉದ್ದೇಶಿಸಿದ್ದೇನೆ. ಈ ಕಾಲೇಜಿಗೆ ಸಂಬಂಧಿಸಿದಂತೆ ಕೆಲವು ಕಾನೂನು ವಿಷಯಗಳನ್ನು ತಿಳಿಯಬೇಕಾಗಿದೆ. ಆದ್ದರಿಂದ ತಾವು ದಯವಿಟ್ಟು ಈ ಕೆಳಗಿನ ಪ್ರಶ್ನೆಗಳಿಗೆ ಉತ್ತರಿಸಿ ಕಳುಹಿಸಿಕೊಡಬೇಕಾಗಿ ಕೋರುತ್ತೇನೆ.

ತಮ್ಮ ವಿಶ್ವಾಸಿ
ಕೆ. ಶಿವಲಿಂಗಯ್ಯ

ಪ್ರಶ್ನೆಗಳು

1. ನಾನು ಆರಂಭಿಸಲು ಉದ್ದೇಶಿಸಿರುವ ಕಾಲೇಜಿಗೆ ಅನುಮತಿ ಪಡೆಯಲು ಏನು ಮಾಡಬೇಕು?
2. ಈ ಕಾಲೇಜಿಗೆ ಯಾವ ಯಾವ ಸೌಲಭ್ಯಗಳನ್ನು ಒದಗಿಸಬೇಕು?
3. ಈ ಕಾಲೇಜಿನ ಆಡಳಿತವನ್ನು ಹೇಗೆ ನಡೆಸಬೇಕು?

ಉತ್ತರಗಳು

(1) ಕಾಲೇಜು ಪ್ರಾರಂಭಿಸಲು ಅನುಮತಿ ಪಡೆಯುವ ವಿಧಾನ

ಈ ವಿಷಯದಲ್ಲಿ ನಿಮಗೆ ಸಲಹೆ ಕೊಡಲು ಸಂತೋಷವಾಗುತ್ತದೆ. ಕಾಲೇಜು ಪ್ರಾರಂಭಿಸಲು ಅನುಮತಿ ಪಡೆಯಲು ಈ ಕೆಳಗಿನ ಕ್ರಮವನ್ನು ಅನುಸರಿಸಬೇಕು.

ಮೊದಲನೆಯದಾಗಿ ಕಾಲೇಜು ಪ್ರಾರಂಭಿಸಲು ಉದ್ದೇಶಿಸಿರುವ ಸ್ಥಳದಲ್ಲಿ ಒಂದು ಸ್ಥಿರಾಸ್ತಿಯನ್ನು ಖರೀದಿಸಬೇಕು. ಆ ಸ್ಥಿರಾಸ್ತಿಯಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಕಟ್ಟಡಗಳನ್ನು ಕಟ್ಟಿಸಬೇಕು. ಆ ಕಟ್ಟಡಗಳಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಪೀಠೋಪಕರಣಗಳನ್ನು ಒದಗಿಸಬೇಕು. ಆ ಕಟ್ಟಡಗಳಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಪ್ರಯೋಗಾಲಯ, ಗ್ರಂಥಾಲಯ ಮುಂತಾದವುಗಳನ್ನು ಏರ್ಪಡಿಸಬೇಕು. ಆ ಕಟ್ಟಡಗಳಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಆಡಳಿತ ಕಚೇರಿಯನ್ನು ಏರ್ಪಡಿಸಬೇಕು. ಈ ಎಲ್ಲ ಸೌಲಭ್ಯಗಳನ್ನು ಒದಗಿಸಿದ ನಂತರ ಕಾಲೇಜು ಪ್ರಾರಂಭಿಸಲು ಅನುಮತಿ ಕೋರಿ ಅರ್ಜಿಯನ್ನು ಸಲ್ಲಿಸಬೇಕು. ಈ ಅರ್ಜಿಯನ್ನು ಸಲ್ಲಿಸಿದ ನಂತರ ಸರ್ಕಾರದ ಪ್ರತಿನಿಧಿಗಳು ಕಾಲೇಜಿಗೆ ಭೇಟಿ ನೀಡಿ ಪರಿಶೀಲಿಸುತ್ತಾರೆ. ಈ ಪರಿಶೀಲನೆಯ ವರದಿಯನ್ನು ಆಧರಿಸಿ ಸರ್ಕಾರವು ಕಾಲೇಜು ಪ್ರಾರಂಭಿಸಲು ಅನುಮತಿ ನೀಡುತ್ತದೆ. ಈ ಅನುಮತಿಯನ್ನು ಪಡೆದ ನಂತರ ಕಾಲೇಜನ್ನು ಪ್ರಾರಂಭಿಸಬಹುದು.

(2) ಕಾಲೇಜಿಗೆ ಸೌಲಭ್ಯಗಳು

ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಸೌಲಭ್ಯಗಳನ್ನು ಒದಗಿಸಲು ಈ ಕೆಳಗಿನ ಕ್ರಮವನ್ನು ಅನುಸರಿಸಬೇಕು.

ಮೊದಲನೆಯದಾಗಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಸ್ಥಿರಾಸ್ತಿಯನ್ನು ಖರೀದಿಸಬೇಕು. ಆ ಸ್ಥಿರಾಸ್ತಿಯಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಕಟ್ಟಡಗಳನ್ನು ಕಟ್ಟಿಸಬೇಕು. ಆ ಕಟ್ಟಡಗಳಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಪೀಠೋಪಕರಣಗಳನ್ನು ಒದಗಿಸಬೇಕು. ಆ ಕಟ್ಟಡಗಳಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಪ್ರಯೋಗಾಲಯ, ಗ್ರಂಥಾಲಯ ಮುಂತಾದವುಗಳನ್ನು ಏರ್ಪಡಿಸಬೇಕು. ಆ ಕಟ್ಟಡಗಳಲ್ಲಿ ಕಾಲೇಜಿಗೆ ಅಗತ್ಯವಾದ ಆಡಳಿತ ಕಚೇರಿಯನ್ನು ಏರ್ಪಡಿಸಬೇಕು. ಈ ಎಲ್ಲ ಸೌಲಭ್ಯಗಳನ್ನು ಒದಗಿಸಿದ ನಂತರ ಕಾಲೇಜು ಪ್ರಾರಂಭಿಸಲು ಅನುಮತಿ ಕೋರಿ ಅರ್ಜಿಯನ್ನು ಸಲ್ಲಿಸಬೇಕು. ಈ ಅರ್ಜಿಯನ್ನು ಸಲ್ಲಿಸಿದ ನಂತರ ಸರ್ಕಾರದ ಪ್ರತಿನಿಧಿಗಳು ಕಾಲೇಜಿಗೆ ಭೇಟಿ ನೀಡಿ ಪರಿಶೀಲಿಸುತ್ತಾರೆ. ಈ ಪರಿಶೀಲನೆಯ ವರದಿಯನ್ನು ಆಧರಿಸಿ ಸರ್ಕಾರವು ಕಾಲೇಜು ಪ್ರಾರಂಭಿಸಲು ಅನುಮತಿ ನೀಡುತ್ತದೆ. ಈ ಅನುಮತಿಯನ್ನು ಪಡೆದ ನಂತರ ಕಾಲೇಜನ್ನು ಪ್ರಾರಂಭಿಸಬಹುದು.

SIR,

With reference to correspondence ending with your No.11051/L.F.(357-92) dated 26-4-1906 anent the conversion of in-patient wards into quarters for Hospital Assistants, I have the honor to forward the accompanying statement -- which furnishes my own opinion and those of the Deputy Com-missioners on the matter.

2. The Deputy Commissioner Shemoga has not sent the required form but only furnished his opinion, copy of which is herein enclosed.

3. I think this question of providing quarters for Hospital Assistants is a very pressing one. In Madras -- either house rent at Rs.5/- a month or free quarters are always

always provided. I have so repeatedly represented to Government the necessity for the proper housing of Midwives and that I will do no more here than repeat the recommendation that such accommodation should be provided with as little delay as possible in the interests of all concerned.

The unofficial file is herewith sent.

I have the honor to be,

Sir,

Your most obedient servant,

M.D.
Lt.Col.I.M.S.
Senior Surgeon and Sanitary Commr.,

Kumsi - It is under contemplation to build a new dispensary here. The question of providing accommodation for the Hospital Assistant may be considered after the building is completed.

Shikarpur-The in-patients wards are always occupied owing to the popularity. Quarters should therefore be built for the Hospital Assistant near the Dispensary.

Siralkoppa-Building under construction.

Honnalli -If a room can be set apart for accommodating urgent cases, the present rooms intended for in-patients may be converted into quarters for the Hospital Assistant.

Nyampti - There is no permanent building here. The Dispensary is located in a rented building.

Channagiri-There is the old Taluk Cutchery building in front of the Dispensary. It may be utilized for providing accommodation not only to the Hospital Assistant but to the Midwife also.

Tirthahalli-One should be provided for urgent cases and the present accommodation converted into quarters for the Hospital Assistant.

Nagar - The question may be taken up when a building is built there.

Kallurkatte-The present in-patients ward may be converted into Hospital Assistant's quarters if one room is made available for the accommodation of urgent cases.

Sagar - The Dispensary is very much frequented and it will be necessary to build separate quarters for the Hospital Assistant.

Sorab - Present in-patient's ward may be converted into quarters for the Hospital Assistant one room being made available for urgent cases.

The cost of providing accommodation should be met from Provincial Funds and rent charged for occupation of buildings

No. 3783-97—L. B. 357-92-34, DATED BANGALORE, 9TH NOVEMBER 1906.

ORDER THEREON.—The opinions of the several Municipal and District Boards having been called for in Government Proceedings No. 769-77—L. B. 357-92, dated the 13th August 1903, on the question of the proposed conversion of the in-patient wards into quarters for Hospital Assistants, the majority of them were not in favour of the proposal, but before passing final orders, the present Senior Surgeon, Lt.-Colonel Smyth, was requested to furnish his opinion in the matter. He now submits with his letter No. G. 255, dated the 2nd October 1906, a statement of places where accommodation for in-patients exists, with the views of the Deputy Commissioner of the District in each case, and states that the question of providing quarters for Hospital Assistants being a pressing one, he would only repeat his recommendation that such accommodation to midwives as well as Hospital Assistants should be provided, with as little delay as possible.

It is observed that in-patient wards were provided in accordance with Government Proceedings No. 7683-93—159, dated 24th September 1890, to meet cases of serious illness, injury or accident, which require constant attention on the part of Hospital Assistants, and there is a concensus of opinion in favour of the retention of these wards for the use for which they were intended. Under these circumstances, the proposed conversion of such wards into quarters for Hospital Assistants seems to be a retrograde step and cannot be sanctioned.

The question of building quarters for Hospital Assistants and midwives will be taken up when funds permit.
